About The Philadelphia Clef Club of Jazz & Performing Arts

PNC Arts Alive is a multi-year, multi-million dollar grant initiative of PNC and the PNC Foundation, which receives its principal funding from The PNC Financial Services Group, Inc. Now in its eleventh year, PNC Arts Alive challenges visual and performing arts organizations to put forth their best, most original thinking in expanding audience participation and engagement. A very prestigious grant, just over 30 organizations were selected in 2019 –and this notably includes several first-time grantees, through a newly expanded PNC Arts Alive initiative designed to support smaller, community-based arts and cultural organizations whose programming directly benefits the neighborhoods in which they operate.
